Physical appearance of parts may differ slightly from illustrations.

This parts list includes optional or alternative equipment not necessarily installed on your mower. Parts will interchange if you desire the alternative replacement parts. Identify those parts installed on your mower for future reference.

Lawnmower parts listed here are available from your local dealer, many of Southland's Authorized Service Centers, or from our factory. When ordering or inquiring of parts, always furnish complete mower model number, code number, and serial number as well as required part number, description, and color if painted.

Use only Southland authorized or approved replacement parts.

Any reference to your mower and/or its parts as to right hand or left hand is determined as you stand behind mower in operator position.

Engine parts or service may be obtained at any Authorized Service Center or outlet of the engine manufacturer. Refer to your engine manual for details.
